Assembling your binder

Pick a cover. Type your title, print it on cardstock and place at the top of your stack of paper.

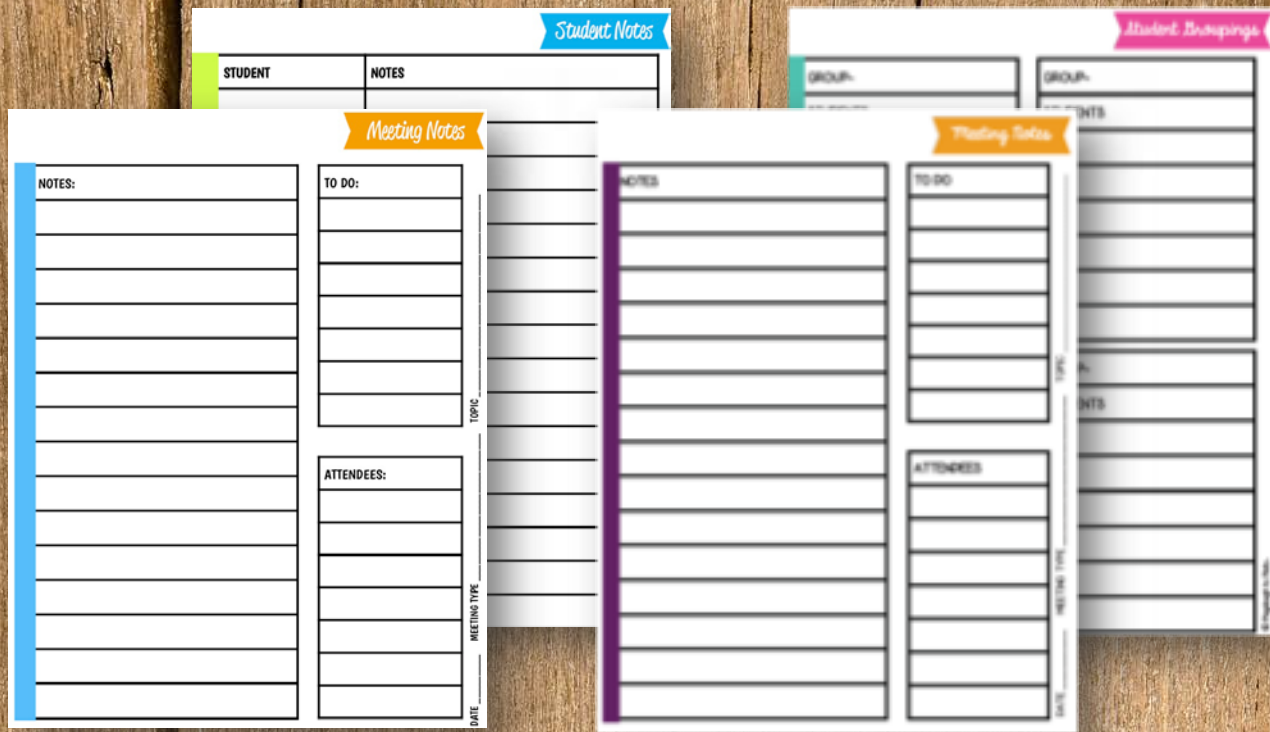

Choose a binder spine.

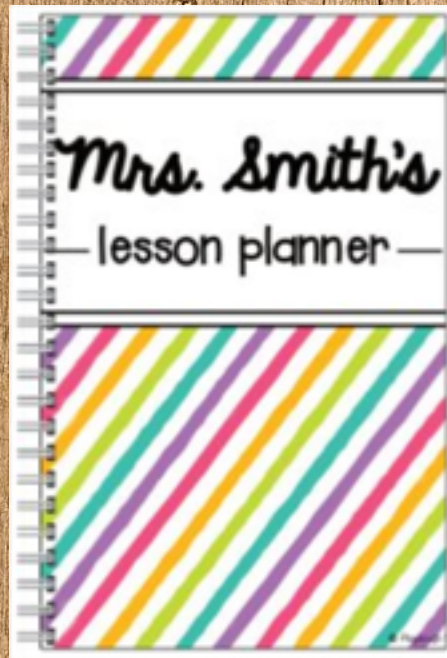

Use a 2 inch circle punch to cut out the divider tabs on cardstock.

	ASSIGNMENT					
STUDENT						

Type your students' names in ABC order on the assignment checklist. They'll automatically load into all of the other pages..

Make copies of any of the bonus sheets that will be helpful to you.

Then bind the book. STAPLES, Office Depot and the UPS Store all have inexpensive binding options.

Tape or glue the circle tab dividers on the first page of each section.

Enjoy!

The background of the page is a vibrant watercolor pattern consisting of overlapping, irregular shapes in various colors including pink, purple, yellow, orange, green, and blue. The colors are blended and layered, creating a rich, textured effect. A white rectangular box with a black border is centered on the page, containing the text.

The background of the page is a vibrant watercolor zigzag pattern. The zigzags are drawn with thick, brush-like strokes in various colors including shades of pink, purple, blue, yellow, and orange. The colors transition from light to dark within each zigzag line, creating a soft, artistic effect.
